ABOUT HENLEY

HENLEY BUSINESS SCHOOL

is set in 30 acres of land within an Area of Outstanding Natural Beauty in the picturesque Hambleden Valley. The grounds retain much of their original parkland character and the prominent location on approximately 400 metres of river bank has extensive views to the south and west of the mansion. The arboretum contains a number of trees that are well over 100 years old and the formal lawn areas are bordered by less formal wildflower/wildlife areas at the east and west end of the main site.
